

100% of its graduates...
are going to college

The Cleveland Foundation congratulates the first graduating class of the Cleveland School of Science and Medicine. All 78 students were accepted into four-year colleges and received more than \$6 million in scholarship offers. The high school is one of 11 innovative schools we've helped launch.

If education is important to you, why not join us?

When you give to your favorite causes *through* the Cleveland Foundation, you can tap into our experts in investing and grant-making so that your gift lasts – and keeps on giving – forever.

CLEVELAND
Foundation
If you want to be remembered,
do something memorable.™

11 new schools...

are preparing Cleveland students for success

The Cleveland Foundation is challenging the community to embrace innovative approaches to education. Like MC² STEM High School, a year-round school for science, technology, engineering, and math – and one of 11 innovative schools we've helped launch.
