REQUEST FOR PROPOSALS

City of Cleveland's Cable Television Minority Arts and Education Fund

Issued: September 10, 2014

Application Deadline: October 31, 2014

Funding period will be 1/1/15 – 9/30/15

BACKGROUND

The City of Cleveland's Cable Television Minority Arts and Education Fund (MAEF), a supporting organization of the Cleveland Foundation, was established in 1994 to provide for the planning, preparation, production, and/or presentation of cultural, educational, and scientific programs and projects which promote and benefit Cleveland's minority populations.

The MAEF is an endowed fund with assets of approximately \$3.6 million providing grantmaking in the local community from investment income. The Board of Directors is comprised of two appointees by the Mayor of the City of Cleveland, two appointees by the Chair of City Council, and five appointees by the Cleveland Foundation.

ELIGIBILITY

Grants are awarded to 501(c)3 tax-exempt organizations that provide arts and cultural educational programs and services that promote and benefit Cleveland's minority populations. All nonprofit organizations located or providing services in the City of Cleveland are eligible to apply. *Groups or organizations that do not have or are awaiting tax-exempt status must partner with a 501(c)3 tax-exempt organization in order for the project to be considered for funding. The tax-exempt organization must initiate the application process and will be considered the MAEF applicant.*

CRITERIA FOR SELECTION

In recognition of new media and new technologies, the MAEF is searching for creative ideas that will expand the delivery of cultural and educational programs of interest to Cleveland's minority community. Requests will be considered for a minimum of \$3,000 (there is no upper limit), and no grants will be made for scholarships. Past MAEF grants have primarily ranged \$5,000 to \$20,000.

- Programs must be focused on arts and cultural education with special emphasis on the "new media", including digital media
- Special focus must be on content pertaining to the experience of a minority population which includes strategies for ongoing input from that population

Applicants must be available for a meeting to discuss the project with staff following submission of the application. Final decisions expected in mid December.
