Historically and nationally, organizations that are led by people of color and engage in and promote the arts and cultures of communities of color struggle to obtain the financial resources necessary to support their work. In recognition of this unique need, the MAEF will award grants to organizations that are led by people of color and serve, engage in, and promote the arts and cultures, both traditional and new, of communities of African, Latinx, Asian, Pacific Islander, Indigenous, and Middle Eastern descent.</p>
